The IBE has compiled this list of resources on Inclusive Education to assist curriculum developers, researchers and practitioners. The first section focuses on Inclusive Education in relation to the curriculum. Other sections include reports, guidelines, and a geographic arrangement of the contents. Most of the publications and documents are freely accessible online.

[View all IBE Alerts and Digests](#)

Inclusion and equity in and through education is the cornerstone of a transformative education agenda, and we therefore commit to addressing all forms of exclusion and marginalization, disparities and inequalities in access, participation and learning outcomes.
